RIBA approved CPD seminar ‘STEP ON IT!’

SPECIFICATION OF FLOORING DETAILS

A presentation and discussion dealing with the subject of specifying safe and effective flooring details. The CPD presentation includes:

What flooring details are and how to select the right one

What the Building Regulations and British Standards are that need to be considered

Environmental and health & safety considerations applicable to the manufacture, installation and maintenance of flooring details

Examples of best practice with specification examples

Handouts include reference links to further information and the seminar lasts 40-60 minutes including time for a Q&A session.
