RIBA approved CPD

'STEP ON IT!'

STAIRWAY SAFETY

worth
double points
as part of the core
curriculum

This CPD looks at the guidelines for the specification of a safe stairway. The presentation and discussion deals with the subject of how to make commercial, public or shared stairways safe and meet all current building regulation guidelines. The CPD includes:

- | | | | | |
|--|---|---|--|---|
| What stair nosings are designed to achieve and how to select the right one | Key Legislation and Industry Standards around stairway design | How recent BS, BRE and Equality Act (formerly DDA) guidelines affect specifications | Environmental and Health and Safety considerations | Examples of best practice with specification examples |
|--|---|---|--|---|

The seminar lasts 40-60 minutes including time for a Q&A session. All seminars are part of the RIBA core curriculum syllabus and earn double CPD points for those attending the seminars.

RIBA CORE CURRICULUM:

- | | |
|---|--------------------------------------|
| 1. Health, safety & wellbeing | 3. Design, construction & technology |
| 2. Legal, regulatory & statutory compliance | 4. Inclusive Environments |
